

May 4th, 2021 West End South CID Meeting Agenda

Topics

1. June 15th STL ArtWorks apprentices will either knock on doors and / or be in the vacant lot at 5900 Clemens to ask residents about activating the lot. We can tie a CID signing to that event
2. Insurance quote has been submitted hopefully we will have it by June
3. Letter preparation needs to go to printer. Can labels be put on them do it has the property owners name on the letter. Also, can we get the list of property owners that are getting that letter so we can easily calculate how much their amount will be.
4. Updates from Tim:
 1. do we know the answer about property that is currently listed for sale?
5. Still researching to see how much we would pay for the non-profit designation.

Action Items:

1. Last meeting needs to go on website
2. Flyer needs to be made. I think if a person isn't there we need to leave a flyer
3. I'm available May 16th and 23rd to canvas
